

Matthews BCM becomes Stratamatt BCM

05 September 2024

We are excited to announce that Matthews Body Corporate Management has officially rebranded to Stratamatt Body Corporate Management!

Having operated under the Matthews Real Estate banner for many years, we made a key decision back in 2016 to run the real estate and body corporate businesses as independent entities. However, it wasn't until recently that we took the next step to formalise this change and give each business its own distinct identity.

As of 4 September 2024, we proudly transitioned from Matthews Body Corporate Management to Stratamatt Body Corporate Management. The new name pays homage to our rich 90-year history under the Matthews brand while marking a fresh chapter for the body corporate business.

This rebranding highlights our continued commitment to providing top-tier service, innovation, and excellence in body corporate management, all while distinguishing ourselves more clearly from Matthews Real Estate.

Since 21 August, you may have noticed:

- New email addresses: Our email addresses now reflect the change, ending in "...@stratamatt.com.au" instead of "...@matthewsrealestate.com.au". Please update your records to avoid any disruptions.
- New website and visual identity: We have launched a standalone website for Stratamatt with a familiar visual look to make your experience even more seamless.

Thank you for your continued support as we embrace this exciting new chapter. While the name has changed, our dedication to delivering exceptional service remains as strong as ever.
